### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

#36368.

Ducalion P. Goodwin being first duly sworn deposes and says:

My name is Ducalion P. Goodwin, and I live at Moss, Okla. I am 79 years old. I claim my Indian blood through my mother, Nancy J. Page. I was born in Bibb County, Ala. in 1829. I left Ala. when I was 12 years old and went to Miss. where I stayed 4 years. I then went to Tex. in 1846 and came to Okla. about 12 years ago. I sent up a claim for lands and money when I came, but the man into whose hands I put my claim died before anything came of it. When I was a child back in Ala. there were a lot of Creek Indians in Bibb County, but there were also a tribe of Cherokees in Cherokee County. The Creeks used to work for my father. I never saw any of the Cherokees that I know of. After we left Ala. we lived for 4 years in the Chickasaw ~~strip~~ neighborhood, in Miss. But the biggest part of them had left before we went to Miss. My mother Nancy J. Page died in Tex. 1860 at the age of 45. My mother was born in Tenn among the Cherokees. At the time the Cherokees were moved from Tenn. James Page, my mother's father, ~~while~~ while my mother was a baby, when to Ala. James Page, my grandfather married Sarah Page, who was the Indian ancestor of my mother. Her maiden name was Chism. Grandmother Chism died in Hill County, Tex. in 1866. She must have been well on to 80 at the time of her death, and was born in Tenn. She got her Indian blood through her father, Bill Chism, a half blood Cherokee Indian. My grandmother has always told us that he died among the Indians. I never heard my grandmother say anything about any of my people ever being enrolled or getting any money from the Government on account of their Indian blood. I have always claimed my Indian blood, and my people have always claimed their Indian descent. I cannot tell you where old Bill Chism lived and died, but I know that he died among the Cherokees.

D. A. Whatley being firstduly sworn deposes and says:

My name is D. A. Whatley and I live at Ross, Okla. I am 63 years old. I know Ducalion P. Goodwin, who has just testified and he is my own cousin on his father's side. So I have no Indian blood. I knew his grandmother, Sarah Chism, back in Ala. when I was a boy. Back as far as I can remember it was the general understanding that Sarah Chism was of Indian blood. I do not remember much about the Creeks, but I think I can remember seeing two Cherokees once when I was a boy. Mrs. Chism did not live among any Indians as an Indian. I do not think there were any full blood Indian families living in that part of the country when I was a boy. They had all been moved west. When Sarah Chism came west, she did not stop among any Indians. In fact Tex. would not encourage Indian settlers. I have heard Mr. Goodwin claim his Indian blood. In the neighborhood in which Mr. Goodwin lives he has always been recognized as having Indian blood, some of his children showing it stronger than he does. I have no interest in any claim Mr. Goodwin may have against the Government.

I have your letter of the 29th, of May in regard to my claim in the fund arising to the Eastern Band of Cherokees, # 36370, and will state first that I am not a full blood, and this is the reason that I was not enrolled.

I never lived with the Cherokees and was never admitted to tribal councils.

None of my immediate family ever received money which was paid out by the Government to the Cherokees.

I was never held as a slave by any one, as the white blood predominates. If there are other questions that I can answer, or other evidence that you desire, I will be pleased to give it.

Schusta, Ga. R.F.D./1.

Sir:-

Kindly advise this office why you were not enrolled  
in the Eastern Cherokees in 1851.

Did you ever live with the Cherokees as recognized  
members of their tribe? Were you admitted to tribal  
councils?

If you were held as a slave, were you owned by White  
people or Indians?

Respectfully,

Special Commissioner.

-----IN re EASTERN CHEROKEE CLAIM, No. 36387-----

(Geo. Burton)

Hon. Guion Miller, Special Commission of the Court of Claims,

Washington, D.C.

Dear Sir:-

I am in receipt of your inquiry of the 29th of May, asking me the following questions relative to the above claim:

1. Why my parents were not enrolled with Eastern Cherokees in 1851?
2. Did they ever live with the Cherokees as recognized members of their tribes? Were they admitted to the tribal councils?
3. Did any on my immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid?
4. Were my parents held as slaves? If so were they held by whites or Indians?

Answering these several questions in the order set out above, I will say:

1. Being very young when my parents left Georgia with the Cherokees for the Indian Territory, I am unable to state why they were not enrolled with them, if they were not.

2. My parents never lived with anyone else, but the Cherokees, since my earliest recollections, until we came to the Indian Territory, and I supposed they were recognized members of the tribe. As to whether they were admitted to the tribal councils or not, I am unable to say, as both my parents are dead, and this matter was never talked about before me, that I can now remember.

3. My mother has shared in payments to the Cherokees, the last time was just before her death, some eighteen or twenty years ago in Georgia. Her name was Lidia Crenshaw, before she married my father, but I can not say whether she received this money as Lidia Crenshaw or Lidia Burton.

4. My father, Horace Burton, was held as a slave by the Indians, but my mother was never a slave. She was a Cherokee, and all her brothers and my father's brothers have received allotments of lands in the Cherokee Nation. The Crenshaws is the name my people get their Indian blood from.

The above statements are true and correct.

Sir:

Kindly advise this office if your people were  
not enrolled with the Western Cherokees in 1891.

Did they ever live with the Cherokees as recognized  
members of the tribe? Were they entitled to tribal  
privileges?

At the time your grandfather, Sam Cox, through whom  
you claim descent, was never enrolled with the  
Western Cherokees.

Did he ever live with the Cherokees as a recognized  
member of the tribe?

When did your people move to the West?

Were your parents held as slaves? If so, were they  
owned by white people or Indians?

Respectfully,

E/ALL

That I am 42 years of age. I claim my Indian descent through my father; my mother was a white woman. My wife is a white woman. I have four children. My father claimed Indian through his mother. My father was about fifty years old when he died. He was born in the East somewhere but I don't know just where it was. Up to about 1835 he was raised in the East, after which he came to Texas. My grandmother on my father's side was a half Indian. She died about the time of the War. Suppose she was living in 1851 in Texas. I think my grandmother lived with the Indians as a member of the tribe. Don't know whether my father did or not. Neither one of them lived with the Indians after they came to Texas. Neither of them nor I were never on any roll that I know of. None of them ever received any land or money from the government. I did not make application to the Dawes Commission. I am recognized as a white man in the community, I suppose. I am living in the Choctaw Nation. John, Jake and Jerry were brothers of my father. They all came West too. He had a sister named Eliza. He had another named Mariah.

Andrew Gravars,

Vandalia, Mich.

Sir:-

Kindly advise this office why you were not enrolled with the Eastern Cherokees in 1851.

Why were your parents not enrolled with the Eastern Cherokees at that time? Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Were you held as a slave? If so, were you owned by White people or Indians?

Respectfully,

Special Commissioner.

Application No. 36395.

Mis.

Andrew Chavurs, being first duly sworn deposes and says,

I am seventy years of age.

I was born in Champaign Co. Ohio

I claim my Indian blood thru my mother.

Her name before she was married was Susan Roberts.

I cannot say where she was born.

She was eighty five when she died. She died about twenty four or five years ago. She was married in Ohio. I had ten brothers and sisters and they were all older than I except one. My mother was half Indian. My mother was never a slave, I know this because her folks always lived in Ohio. I never got any money as an Indian. My mother got her Indian blood thru her mother. I cannot tell what her name was.

Sir:-

Will you please inform this office why your parents were not  
admitted to the Eastern Cherokee in 1851.

Did they live with the Cherokees as recognized  
members of the tribe? Were they admitted to tribal  
land?

Were you born in the State? If so, were you owned by  
any person? If so, when?

When did your ancestors move to Indiana?

Respectfully,

Madam:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal council?

Did any of your immediate relatives ever share in payments to the Cherokees? If so, give their names and state when and where they were paid.

When did you, or your ancestors, move from North Carolina?

Were you held as a slave? If so, were you owned by white people or Indians?

Respectfully,

My dear Sir,

619 Pike St., Chattanooga, Tenn.

Sir:-

Kindly advise this office why you were not enrolled with the Eastern Cherokees in 1851.

Did you ever live with the Cherokees as a recognized member of their tribe? Were you admitted to tribal council?

Did your parents live with the Cherokees as recognized members of their tribe? Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Were you held as a slave? If so, were you owned by White people or Indians?

Respectfully,

Special Commissioner.

HWK/AIL

I am 66 years of age; I claim Cherokee Indian blood. I was named by Mr. Baldwin, a white man. My mother told me of my Indian blood. I never tried before to get any Indian money, nor never received any.

Sir:-

Kindly advise this office why your parents were  
not enrolled with the Eastern Cherokees in 1851.

When did they move to the West?

Did they ever live with the Cherokees as recognized  
members of their tribe? Were they admitted to tribal  
councils?

Were they held as slaves? If so, were they owned  
by White people or Indians?

Respectfully,

Special Commissioner.

Robert M. Moore,

Crane, Mo.

Sir:-

Kindly advise this office why your grandparents were not enrolled with the Eastern Cherokees in 1851. Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

If they were held as slaves, state whether they were owned by White people or Indians.

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Respectfully,

Special Commissioner.

Dear Sir,

Thank you, O. S.

Answer:-

I have received the application for your minor children, and in reply this office says their grandparents were not enrolled with the Western Cherokees in 1891.

Did they ever live with the Cherokees as a recognized member of their tribe? Were they admitted to tribal council?

Were they sold as slaves? If so, were they owned by white people or Indians?

Have these children been enrolled by the census taker? If so, give their numbers and indicate on what roll their names appear.

Respectfully,

Special Commissioner.

I was not enrolled by the Dawes Commission. I have never been enrolled and have never tried to be. I have Cherokee Indian blood. I got my blood from my father. My father was James Haggard. He is living. He lives in Missouri. He was not enrolled. I never heard him say whether he was ever enrolled. He never attempted to be enrolled. He would not permit himself to be enrolled. My grandfather did not like his Indian blood, nor my father. He lived in Arkansas until he was married. My father got his blood from his mother. Her name was Rachel Roberts before marriage. She was raised in Rome County, Tennessee. They were married in Tennessee. They moved in to Arkansas. They came to Arkansas when my father was a little boy. They My father is 66 years old. Rachel Roberts was never enrolled. I do not know why she was not enrolled. I don't know whether she had an Indian name. Her mother was Polly or Mary Roberts. Her father was William Roberts. Grandmother taught his family not to go with the Indians. He thought the enrollment was to keep them out of their rights. They were regarded as Emigrants. I never hear them talk about the treaties of 1835, and do not know whether they were parties to the treaties. She always claimed Cherokee as her tribe. This is all I know about them.

Madam:--

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they live with the Cherokees as recognized members of their tribe? Were they admitted to tribal council?

Were you held as a slave? If so, were you owned by white or colored people?

Have you been enrolled by the Bureau Commissioner? If so, give your number and indicate on what roll your name appears.

Addie Foley being first duly sworn, deposes and says:

That I am 50 years of age. I claim my Indian descent through my father, also my mother. I guess my father was about 1/4 Cherokee. My mother was about 1/2 Cherokee. My father was about 45 or 50 years old when he died. My mother is still living at Vinita, Okla. Her name is Nellie Highland. I think she has filed an application in this fund. She is about 70 or 80 years of age. I have an allotment of 80 acres among the Cherokee. I don't know whether either of my parents were on the roll of 1851. My mother was an old Settler and her mother drew money at Ft. Gibson. My mother went by the name of Looney in 1851. My grandmother's name was Sallie Woodard and she drew for my mother, about four or five hundred dollars. (O. S. Roll, Ill. 214). Susan Woodard (O. S., Ill. 216) was my mother's aunt. Wm. Woodard (O. S., Ill. 217) was my mother's uncle. Also Tom Woodard (O. S., Ill. 212.) I think my father was on the emigrant roll. My father only had one sister that I know of and her name was Rachel. Don't know who she married. In 1851 my father was living near Ft. Gibson and Rachel at that time was living near Tahlequah. My father married a woman named Betsy Woodard the first time. My husband is a full blooded white man. Don't know my father's father nor anybody who does know what his name was. Don't know where he was living but I reckon it was in the Canadian District.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,  
EASTERN CHEROKEE ENROLLMENT,  
601 OURAY BUILDING,  
WASHINGTON, D. C.**

Sir:-

In the matter of the enrollment of the Eastern Cherokees, you are advised that on April 29, 1907, the Court of Claims entered an order directing that the fund arising from the decree of the Court of May 28, 1906, be distributed per capita to all Eastern Cherokee Indians by blood, living on May 28, 1906, who shall establish the fact that they were members of the Eastern Cherokee Tribe of Indians at the date of the Treaty of 1835-6, and 1846, or, are descendants of such persons, and who can further establish the fact that they have not been affiliated with any tribe of Indians other than the Eastern Cherokees or the Cherokee Nation.

Persons who have already filed applications before the Commissioner of Indian Affairs for a share of such fund need not file a further application, unless they have minor children for whom they wish to make claim; in which case they should file a supplemental application, including all their minor children in one application.

A special blank for supplemental applications has been prepared and may be obtained free of charge by application to this office.

All persons who have not filed applications must do so on or before August 31, 1907, as applications filed after that date will not be considered. Blanks for original applications for adults or guardians may also be obtained by application to this office.

Applications for minors and persons of unsound mind should be executed by their parents or persons having their care and custody.

Applications for persons who have died since May 28, 1906, should be filed by their children or legal representatives.

Very respectfully,

GUION MILLER,

Special Commissioner.

*Please send us Two

Friend Will,

Sir:

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal council?

Did any of your people move to Indiana?

Were your parents held as slaves? If so, were they owned by white people or Indians?

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Edward Hall.

#36495.

Edward Hall being first duly sworn deposes and says:

My name is Edward Hall, and I live at Kokomo, Ind. I claim my Indian blood through my mother. My mother's name was Charity Higgins. She was also Jones before she was married. She is still living and is about 74 years of age. She was born in Wayne County, N.C. She left there in 1844 or 1845. My mother's mother was a full blood Cherokee Indian. My grandmother's name I do not know. ~~My grandmother~~ She never got any money from the Government on account of her Indian blood. I have heard my mother talk of her mother's Indian blood. I never heard her say that she lived with the Indians, but she ~~never~~ visited around among them. There never was any slave ancestry in our family.

Kindly advise this office why your parents were not

Did you ever live with the Cherokee as recognized

Were your parents held as slaves? If so, were they  
owned by white people or Indians?

Did the Cherokee ever move to the West?

Dear Sir:-

I have been with this office with the names of your  
children, and have found that they claim their  
Cherokee blood; and at the same time their parents lived in  
the State.

If they were not enrolled with the Eastern Cherokees  
at the time, why were they not so enrolled?

They were living with the Cherokees, and were  
born of their blood. Are they entitled to equal  
rights?

Did your father (the father of these children) ever  
claim to be a Cherokee? Did he affiliate  
in any way with the tribe?

Respectfully,

H. H. H.

Special Commissioner.
